Determination of School Residency of Students

"TEMPORARY ENROLLMENT FORM"

ACKNOWLEDGEMENT
READ CAREFULLY BEFORE SIGNING

The undersigned has sought enrollment for _____ in the Frederick County Public Schools. The undersigned acknowledges that this student is being enrolled only temporarily, without expectation of continuing enrollment, so that an independent administrative determination of school residency can be made in this situation. The undersigned represent to the school division and to school employees that, without condition, they may rely upon the documentation which has been provided to them regarding the care and/or custody of the student. The undersigned agrees to be responsible, financially and otherwise, for the student, in the same manner and to the same extent as would be the natural parent of any child attending school and in this school division. The undersigned also represent to the school board that it and its employees may rely upon this document and all oral and written representations made in support of the application for tuition-free attendance of the student in this school division, and further agrees that the undersigned will indemnify, defend, and hold harmless the school board and its employees from any claim that in any way is or could be connected to their reliance upon all of this information and these representations.
